In the screenshot above there is the outline of a red rectangle and a blue rectangle highlighting two different areas:

Documents section (red rectangle) – This will contain content that is personalised to your child eg progress reports, codes such as cashless catering etc or any behaviour related documents. You will need to press view button and then press the download button on the next page to access these documents.

Parent Letter section (blue rectangle) – This will contain information that is sent out in bulk and the content is the same ie no codes or passwords etc. These are like a normal informational paper letter that used to be sent home. If you click on the “VIEW ALL” button, you will see a full list of letters on your portal.

We try to send most documents out as PDF documents, as these should be able to be opened on most devices, without the need for extra software.

If you have any further enquiries, please contact Student Services (01282 865299 Option 2) or email our dedicated Synergy support email at synergy@fishermore.lancs.sch.uk.
