

YEAR 7 SUMMER SCHOOL

Dear Parent/Carer

We would like to invite your child to this years Year 7 Summer School. The school has run a fantastic Summer School for many years for students transferring from Primary School, however due to Covid 19 restrictions we were unable to invite your child to one last summer.

This year's Year 7 Summer School will run from **Monday 16 August 2021 to Friday 20 August 2021**. The Summer School is **free** to all Year 7 students who are moving into Year 8 at Fisher More in September.

The aim of the programme is for students to experience opportunities that they have missed out on this year, such as a variety of enrichment activities, an off-site team building day, and specialist activities run in their specialist classrooms in school. The emphasis is to develop new friendships and skills outside of their normal teaching groups in a relaxed and enjoyable atmosphere.

Students may be dropped off from 9.00am with activities beginning at 9.30am. Students will need collecting from school at 3.30pm each day (timings may vary for the trip day – to be confirmed). All students will require a packed lunch every day (pupils in receipt of free school meals will be provided with a packed lunch).

A full timetable will be posted out two weeks prior to the beginning of the Summer School.

If you would like your child to be part of the Summer School then please complete the on-line booking form and medical form no later than **Friday 28 May 2021**. A link to the on-line booking form and medical form is available through the [school website](#) or by contacting atkin.s@fishermore.lancs.sch.uk. The booking form will save automatically, however, the medical form will need to be emailed to atkin.s@fishermore.lancs.sch.uk

I hope that your son/daughter is able to access this valuable programme. If you have any further queries, please feel free to contact me on the school through phone or email.

Yours faithfully

Mr S Atkin
Faculty Leader for PE and Creative Arts
